

SEPTEMBER 17-20, 2019

**37TH ANNUAL
ENGINEERING CONFERENCE
& EXHIBIT SHOW**

Save the Date!

September 17-20, 2019

**TEC 37th Annual Engineering
Conference & Exhibit Show**

Embassy Suites Frisco

Look for registration and hotel room block to open in July.

The Annual Engineering Conference allows the attendees to share and learn what's new in this ever-changing industry. This is an information-filled conference with an exhibit show and several networking opportunities including a golf tournament. Attendees include more than 250 project managers, operations managers, system engineers and electrical engineers representing the electric cooperatives of Texas.

Interested in speaking at this conference? TEC is always looking for knowledgeable, engaging subject matter experts to speak at our broad range of conferences. Click [here](#) to access the presentation request form.

If you need more information about the conference immediately, please contact a member of the Education & Training team:
